AN ACT CONCERNING PRESERVATION OF CERTAIN PUBLIC GOLF COURSES AS OPEN SPACE.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That the general statutes be amended to provide that an owner of
- 2 certain public golf courses may apply for the classification of such land
- 3 as public golf course land on the grand list of a municipality, which
- 4 classification would deem the present true and actual value of the land
- 5 to be based upon its value as raw land without any improvements to
- 6 the land that are incidental to the recreational uses of such land or its
- 7 current use and without regard to neighborhood land use of a more
- 8 intensive nature.

Statement of Purpose:

To preserve certain public golf courses as open space.
